The song goes: Everybody wants to be a cat cause the cats the only cat who knows where it's at - Everybody's pickin' up on that feline beat-'cause everything else is obsolete. Now, substitute Tiger for cat; Tiger does not rhyme so well but the lyrics suggest Tigers self-image. Tiger knows that practically everyone who counts is a Tiger or wants to be. Sometimes Tiger is seen as quick-tempered and rebellious. Authority figures had best refigure the rules when faced with a Tiger on the move. The rest of us just don't get that Tiger is the entrepreneur and to achieve the goals all is permitted Tiger; there are no limits. As you might imagine, this behavior can land a fearless Tiger in a heap of trouble. Here again instincts serve and the Tiger can spring away to do battle again another day. What an ally the Tiger can be with the right partner who believes that the world is a playground for the courageous and dedicated. The best relationship can be made with Horse; also an association with another Tiger can be fruitful: Dog is a good match for Tiger because Tiger admires Dogs heroic quality. Horse, Dog and Tiger are freedom loving, self-centered beings which helps them to comprehend each other's natures. Tigers laugh at the law as they adhere to the "law of the jungle"; the strong survive. Tigers will steamroll over whatever is in the way between them and their objectives. Tigers are very opinionated and will dominate any debate or discussion with a Tigers authority and magnetism. It doesn't matter that their positions may actually be untenable, on shaky ground. Tiger places the body in a rooted Chi Kung stance and that root will not be budged. Brave, benevolent Tiger, for your health and well-being please, root, smile and tune that roar into the SHHH sound for your precious liver. The Inner Smile and Six Healing Sounds have no laws governing the practitioner so go, Tiger, go. Tigers are powerful and passionate creatures and these attributes can cause a big commotion at times. Their unpredictable impulsiveness should not be underestimated. Watch out for these cats. When a Tiger is in attendance at a gathering there is no missing their presence; everyone knows and is keeping a watchful eye. Tiger, pay more attention to your future and don't burn out before your time. A wonderful quality of Tiger is the ability to weather the storm; Tiger can always revert to house cat ways, licking the paws and carefully grooming the fur, head to tail. Unflappable and cool as a cucumber is Tiger when needs be. Because of Tigers disdain of convention and law and the tendency to bend or break laws and conventions Tiger can find itself at odds with authority and be branded an outlaw. Even in such a predicament Tiger has the possibility to emerge unscathed thanks to fruitful cultivation of friends of influence. Tiger is known also as a kindly and generous sort and by association Tigers good luck has been known to rub off on friends and associates. A tiger is to be cautiously observed.
